Now Showing Music, Movies and Merriment

Soothing sights and sound programming take center

WAI LANA'S LITTLE YOGA Daydream

For naptime or just quiet time, a modern rendition of Yoga relaxation session that will feature character Wai Lana takes on waterfalls, hot air balloon rides—accompanied by soft, lullaby song selections, games and choose English or Spanish time.

ATHLETIC BABY *Walk, Run and Play!* Children love watching videos featuring other children. This one is packed with children of all ethnicities, running, racing and rolling through a variety of landscapes including grassy fields, on a farm, over bridges and on playgrounds. With a soundtrack of light and folksy music by Eddie Coker providing the backdrop, the children interact with a number of objects—hula hoops, balls, umbrellas—dancing, hopping and having a good time. For ages 3 months and up, this energetic DVD will keep kids on their feet. Thirty-minute running time. **For more information, www.athleticbaby.com.**

ATHLETIC BABY
Walk, Run and Play!

The new look, watching videos featuring other children. This one is packed with children of all ethnicities, running, racing and rolling through a variety of landscapes including grassy fields, on a farm, over bridges and on playgrounds. With a soundtrack of light and folksy music by Eddie Coker providing the backdrop, the children interact with a number of objects—hula hoops, balls, umbrellas—dancing, hopping and having a good time. For ages 3 months and up, this energetic DVD will keep kids on their feet. Thirty-minute running time.
