Merry Viewing to All

Baby DVDs (\$15 to \$20 each)

Check out this trio of new DVDs designed for babies that are just a little bit different. AthleticBaby: Peek, Run and Play! (\$17) encourages ages children to seek a life of activity and not just passive couch potatoes like the rest of us. International Baby: Let's sing together! (\$20) helps to promote the benefits of seeing bilingual language skills, and finally, the nurturing Know a Baby (\$15) features sights and sounds specifically designed to broaden a child's imagination. — AJ
